

IT IS understood and agreed that Senior Care Volunteer Network (SCVN) sponsors a medical/home health equipment loan closet as a community service in order to enable community members to exchange such equipment as needed. SCVN does not warrant the safety and operating conditions of any loaned equipment in that all equipment is donated and loaned "AS IS."

In consideration of the provision of such loaned equipment, it is further understood and agreed that the borrower and/or user of any loaned equipment shall not seek any form of damages against SCVN, nor shall the borrower and/or user seek any form of damages against the donor of the equipment or previous borrower/user of such equipment. Borrowers/users are ultimately responsible, following consultations with medical personnel, for all decisions as to the appropriateness and safety of the use of any medical or home health equipment.

IT IS further understood and agreed that the Borrower and User shall return all loaned medical and/or home health equipment when there is no longer a need for the equipment. **ALL RETURNED EQUIPMENT MUST BE IN GOOD/WORKING CONDITION AND CLEANED/SANITIZED BEFORE IT IS DROPPED OFF AT THE SCVN OFFICE.**
